TO WHOM IT MAY CONCERN

Mr Andy Warlick is requesting an amendment to an existing permit. Permit # OCRM-14-221-B The reason for the request is that where the location of boatlift is located now it is unable to be used at certain times due to depth of water. We would like to re-position the boatlift to along side of pier head (attached drawings) and would need to alter the location of floating dock and jet-float to accommodate

Thank you Discharge
